# ENTRIES

This trial uses K9TrialHub.com to accept and manage entries. Please follow these instructions!

1

## Login or create a K9TrialHub Account

This is not related to your CDSA account.

2

## Add your dog(s) to your account

If this is your first time using K9TrialHub you will need to add your dog(s) to the account to enter an event.

3

## Enter the Trial

Go to the trial page ([link here](#)) and click the large green "Enter Now" button. Follow the entry form instructions to enter.

## Are you entering multiple dogs in the trial?

K9TrialHub requires every dog to have a unique membership number.

CDSA will have assigned you a membership number and each of your dogs will have a number attached to that (eg. 1234-1 for your first dog and 1234-2 for your second dog). Ensure that you're entering the number for your DOG and not only your membership number.
